**One week until launch  
of STS-105 Aug. 9**

**Mark calendars for  
Super Safety & Health  
Day, Oct. 17**

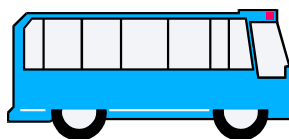

▲ **Mission Update:** The STS-105 crew arrives on Sunday, Aug. 5, to begin preparations for launch, scheduled for Thursday, Aug. 9, at 5:38 p.m. EDT. Launch countdown begins Aug. 6 at 9 p.m. This launch will be the 106th in the Shuttle program, the 30th flight of Discovery and the 11th flight to the International Space Station. The seven astronauts on board Discovery include the Shuttle crew: Commander Scott Horowitz, Pilot Rick Sturckow and Mission Specialists Daniel Barry and Patrick Forrester; and the Expedition Three crew: Commander Frank Culbertson, and Vladimir Dezhurov and Mikhail Tyurin, both from the Russian Aviation and Space Agency. The Expedition Two crew on the Station will be returning to Earth aboard Discovery.

Health Day will kick off at 8 a.m. at the KSC Training Auditorium and will feature John Drebing Jr. as keynote

▲ **Super Safety & Health Day 2001--** On Oct. 17, KSC and the CCAFS 45th Space Wing will participate in the fourth annual Super Safety and Health Day. This year's theme, "Safety & Health, A Way of Life," emphasizes not only the importance of safety and health in the workplace, but its significance in everyday life. Super Safety &

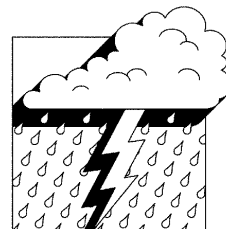

speaker. Afternoon activities will feature astronaut visits, vendor displays, and NASCAR representatives. For a detailed schedule of events, visit the event Web site at <http://www-ss.ksc.nasa.gov/SuperSafety2001>.

◆ **Shuttle Bus Schedule Changes--** Effective Aug. 1, a modified KSC Shuttle Bus Service schedule has been implemented. To access the shuttle bus schedule go to: <http://kscinfo.ksc.nasa.gov/transportation/shutbus.html>. To obtain a copy of the schedule, contact Janet Keith at 867-3420.

◆ **OA/OODIN Exhibit Show --** OA/OODIN is sponsoring an exhibit in the lobby of the Headquarters building today, Aug. 2. All ODIN-supported customers are invited to visit the booth from 11:30 to 2:30 p.m. The exhibit will include demonstrations of the remote support tools used by the Help desk personnel, web-based software distribution, and tips for optimizing Windows 2000. Visit the ODIN Web site at <http://kscodininfo>

◆ **Did You Know?** The 45th Weather Squadron is available to give briefings on lightning safety, and any other weather safety topic you might want. We're now at the peak of our lightning season, and hurricane activity usually rises quickly in August to peak in early September, so now is the time for these briefings. To arrange briefings, please contact Bill Roeder, 853-8410 or [william.roeder@patrick.af.mil](mailto:william.roeder@patrick.af.mil). ★

**KSC Countdown is published every Tuesday & Thursday.**

**Deadlines: 10 a.m. the day before. Send information, comments or questions to:**
